

Utah State Office of Rehabilitation

Employer Resources

The Utah State Office of Rehabilitation's Business Relations Team offers the following services to businesses to assist them in hiring and retaining employees with disabilities.

- One-on-one support provided on disability employment training and education for Human Resources, supervisors and other hiring managers
- Assistance to improve or add workplace accommodations
- Connect and network with other businesses taking action to hire people with disabilities
- Provide free, direct access to USOR counselors and clients for job postings through the People with Disabilities Network, PWDNET, by emailing pwdnetjobs@utah.gov

The Business Relations Team host bi-annual job fairs to help job seekers with disabilities meet with employers, explore career options and attend workshop sessions. Also, bi-annual employer workshops are held to teach employers how to hire and train individuals with disabilities, network with specialists and receive resources.
